Activities at home

Dear Parents/Carers,

Below is our focus for the week beginning; 3rd June 2013

Direction and travel

The areas that will be covered are;

Go on a treasure hunt

Looking at maps and creating our own maps

Sorting clothes into Winter and Summer clothes

Setting up travel agents

Making a large scale Train

If you would like to follow this up at home, here are a few ideas you might like to try; The children are very interested in travel and directions, plan a treasure hunt at home, allow the children to direct you to the treasure. When traveling in the car talk about where you are going and how you are getting there, allow the children to look at a map and follow the route.

When getting dressed in the morning look out the window and see what the weather is like and talk about which clothing you will need to wear for the day. If you have any ideas that you would like us to do at pre-school please let us know and we will continue the learning at pre-school.
