Activities at home

Dear Parents/Carers,

Below is our focus for the week beginning; 16th September 2013

Wind

The areas that will be covered are;

Create a variety of items that move in the wind

Blow the object game

Explore the wind outside using bubbles, balloons, ribbons and wind chimes.

Experimenting with Sycamore tree leaves

Making play dough using different flavours and colours

If you would like to follow this up at home, here are a few ideas you might like to try; Create your own wind mover. Come back to pre-school and show us what you have made.

Watch the wind outside and see how it moves the trees. Create your own different flavor and colour play dough. Before eating or drinking have a smell and talk discuss. Play the blow the object at home and note down who can blow the object the quickest.
