Activities at home

Dear Parents/Carers,

Below is our focus for the week beginning; 14th October 2013

Castles

The areas that will be covered are;

Building a large scale castle to create a castle role-play area

Design and make a flag

Making a variety of items that you may find in a castle:

Shields

Crown

Creating a ferocious dragon mask

Experimenting which float or sink

Making pizza with variety of toppings

If you would like to follow this up at home, here are a few ideas you might like to try; If you have been to a castle and have photos of your experience please bring them into pre-school and share your experience.

Discuss features of castles and introduce maths such as how many windows, or turrets do castles have.
