Activities at home

Dear Parents/Carers,

Below is our focus for the week beginning; 20th January 2014

Differences

The areas that will be covered are;

Discussing differences such as hair and eye colour, different types of houses we live in.

Creating junk model houses, introducing new vocabulary.

Making play dough, weighing out the ingredients

Exploring gloop and porridge using our hands. Looking at their differences.

Exploring numbers using various number games

Investigating sounds, playing sound bingo

Learning the sign language for our favourite circle time songs

If you would like to follow this up at home, here are a few ideas you might like to try: On the way home in the car talk about all the different houses, buildings and cars you see. Make a little note of the differences you see. Talk about the size, colour and shape.

Let your children teach you the sign for the songs they have learnt.
